

Notice

03.07.2023

All first semester students are instructed to register themselves (or sign-up) into the following three portals via the weblinks given below. It is mandatory for all students to register in these portals before their University registration process.

Please Note: In case any student fails to do the same, his/her University registration process will get delayed. For any help in this matter students may contact college office or respective departmental teachers.
